

NATIONAL SYMPOSIUM ON JUTE FIBRES: SUSTAINABLE SOLUTIONS THROUGH TECHNOLOGICAL ADVANCEMENTS

Innovate locally, sustain globally

Organized by ATIRA, Ahmedabad and National Jute Board (NJB)

Gain insights to harness the vast potential of jute fibres through emerging applications in
Composites and Technical Textiles

SAVE THE DATE: **WEDNESDAY, 18 SEP 2024 | J.B. AUDITORIUM, AMA , AHMEDABAD**

Keynote Session by Padmashri Awardee, Prof. Anil K. Gupta

Visiting faculty IIM-A, Founder National Innovation Foundation, SRISTI and GIAN

SYMPOSIUM HIGHLIGHTS:

- Participation from Roads and Building Department, Government of Gujarat
- Participation from Defence, Infrastructure and Forest sector
- Opportunity to showcase your recent products and innovations

National Symposium on Jute fibres: Sustainable Solutions through Technological Advancements

Innovate Locally, Sustain Globally

18th Sep 2024 | J.B. Auditorium, Ahmedabad Management Association (AMA), Ahmedabad

Time	Program Details
9:30 - 10:00	Registration
10:00 - 10:30	Inaugural Session
10:30 - 11:00	Special address by Prof. Anil K. Gupta, visiting faculty IIMA, Founder Honey Bee Network, National Innovation Foundation, SRISTI and GIAN
11:00 - 11:15	Tea Break
11:15 - 11:40	Presentation on Jute fibre-based composites by ATIRA
11:40 - 12:15	Presentation on Application of Jute in diversified sectors with special focus on Geotextiles by National Jute Board (NJB)
12:15 - 12:45	Presentation by Road & Building department, Government of Gujarat
12:45 - 1:30	Panel Discussion Session 1: Market trends and future prospects for Jute fibres
1:30 - 2:30	Networking Lunch
2:30 - 2:50	Presentation by AB composites
2:50 - 3:10	Presentation by Industry Member
3:10 - 4:00	Panel Discussion Session 2: Scope and opportunities for natural fiber Composites
4:00 - 4:15	Vote of thanks followed by High Tea
