

Pet-Beds made with JUTE

Kiwi Wool Pet Beds sold in New Zealand have:

Outer - double layer of 18oz JUTE

Inner - 130 mm thick wool batting

Dimension - 80 cm x 90 cm 130 mm.

These 18 oz jute/wool pet beds are made with safe, natural, hard wearing fibres. Made in Hawke's Bay New Zealand. Seller claims that 'this wonderful soft Kiwi Wool Pet Bed will keep your pet warm in winter and cool in summer. The unique properties create a micro climate for your pet, keeping his body temperature stable and bed dry and well ventilated

to aid circulation and healing and help prevent and alleviate the symptoms of rheumatism & arthritis'. [Ref: <http://www.trademe.co.nz/pets-animals/dogs/beds-baskets/auction-1014904615.htm>]
